

# Allan's America Background Map 4K - Dark

A dark background map with detailed terrain, shaded relief and clear coastlines. Designed for 4K screens and works at lower resolutions too.

Covers North America and surrounding regions, with added land for ATMX, Grand Utopia of America and Beyond's Pacific islands.

## COMPATIBILITY

No version restriction. FullScreen Maps is optional.

## Installation

1. Copy the .scs file into your ATS mod folder.  
Documents / American Truck Simulator / mod
2. Enable it in the in-game Mod Manager.
3. Disable any other background map mods.

## DATA CREDITS

Natural Earth and Mapzen/Tilezen terrain data. Sources include USGS, NOAA, INEGI, Canadian open data and ArcticDEM. Full source credits are included in the mod package.
